Friends of Hollywood Cemetery, a 501(c)3 organization, was founded in 2007 to provide the restoration and conservation of monuments, sculptures and ironwork within the cemetery.
March 2016

Dear Friends,

Thank you for making 2015 such a fantastic year!

Because of you, Friends of Hollywood Cemetery has now completed Phase II of our comprehensive capital restoration of the Cemetery. You have helped us raise more than $2.2 million which has gone directly to:

- Restoring and cleaning 2,672 monuments
- Restoring and repairing 200 fences
- Completing restoration of 15 of the 44 sections of the Cemetery
- Continuing the critical internship program with VCU which is creating the next generation of craftsmen and women with historic restoration and repair skills

A lot has been happening here and I would like to re-cap the highlights of all that your investment here has made possible:

- This Fall, we dedicated the newly restored Palmer Fence at Presidents Circle, one of the first and most ambitious projects we undertook. This 19th century fence in the rinceau style (French for “foliage”) is one-of-a kind but had suffered extensive damage from weather, tree damage and unplanned encounters with vehicles of every size. Come and see it on your next trip to Hollywood and celebrate its return.

- You responded to our call to meet the $100,000 challenge grant issued by The Cabell Foundation to support the digitization of our genealogical database. Hollywood is a treasure trove of historical family information and visitors come from around the world to trace their lineage here. By fully matching the challenge, you have enabled us to create a world-class repository of genealogy information. Stay tuned for more information on this new resource.

- We have kicked off Phase III of our capital restoration efforts, beginning with three James River Overlooks. The James River Garden Club, Dominion Foundation, the Richard S. Reynolds Foundation, and the Bob and Anna Lou Schaberg Fund at the VNHC invested in Overlook I, the Lettie Pate Evans Foundation invested in Overlook II and the Ratcliffe Foundation has invested in Overlook III. We are profoundly grateful for this support as we launch this next phase of our work.

None of this is possible without your support. I am ever grateful for your interest in Richmond’s crown jewel. Come and visit soon and see all that you have made possible here.

Sincerely,

Peter Toms
Chairman, Board of Directors
