

Hollywood Cemetery Company Guidelines for Visitors

Welcome to historic Hollywood Cemetery®. We hope you enjoy your visit. We ask all visitors to help enhance everyone's enjoyment of Hollywood's cherished beauty, peace and quiet. Please note in addition to these guidelines, at all times Cemetery staff and security personnel have the discretion to address any actions of visitors that may compromise their safety or the safety and positive experience of others, up to and including removal from the Cemetery.

- **Look but don't touch.** Many of our monuments and headstones are old and fragile. Please do not touch, lean against, sit on or climb them. Gravestone rubbing is prohibited.
- **Quiet, please.** Many visitors come to Hollywood to pay respects to loved ones and expect calm and quiet. Please use headphones for any devices, including mobile phones.
- **Respect funerals.** Please avoid areas where funerals are being held and please yield to funeral processions and do not photograph those attending.
- **Children are welcome, under adult supervision.** Please take extra care that children do not touch, sit on or climb upon monuments or headstones, climb trees or wander the grounds unattended. This is important for their safety and the safety of others.
